Hope to See You There!

Sixties Girl is launching this Friday, April 28th at McNally Robinson Booksellers at 7 pm. It will both in person and [online](#). Hope to see you there.

My special guest is Colleen Nelson.

Copies of *Sixties Girl* are already available on McNally's shelves. A friend who was at McNally's recently told me, "your book is all over the store."

If you are out in Steinbach the Steinbach Heritage Museum Village Gift Shop has copies too.

Best Seller List

Can you believe it? During its first official week on the bookshelves at McNally Robinson Booksellers *Sixties Girl* made the best seller list! Pretty excited about that!

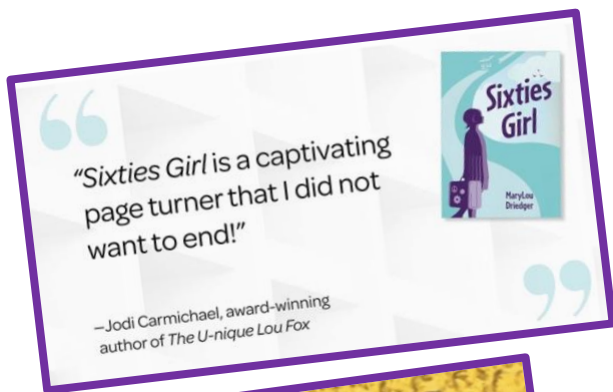

Sixties Girl Is Getting Around!

My friend Wendy sent me some lovely photos of *Sixties Girl* on the shore near her home in Newfoundland.

My brother and his partner have read the book electronically while hiking in the Himalayas.

Another friend sent me a photo of her reading the book on the yard of the house she is renting in Italy!

An Interesting Interview

Kathie MacIsaac had thought of such interesting questions to ask me about *Sixties Girl* in the interview we did for the Middle Grade Book Village website. You can read the interview [here](#).

Thank You Jordan

Just before he left his job as a reporter for The Carillon to move on to another career opportunity Jordan Ross did a story about my novel *Sixties Girl* for the paper. I was so pleased! He also took this photo. You can read the story Jordan wrote [here](#).

I'm Going to Be on Television!

I'm going to be a guest on the CTV Morning Live show on April 27 at around 8:45 to talk about *Sixties Girl*. Tune in if you can.

A Promo for My Book!

Heritage House asked me to record a short introduction to *Sixties Girl* and it went live on the book's official birthday April 11. You can watch it [here](#).
